

Proceeds Benefit Forsyth County Broncos

The Forsyth County Bronco Athletic Association, Inc. ("Broncos") is a non profit organization made up of area volunteers and supported by the generosity of all of those that donate to us. We are a division of the Northwest Midget Football League, Mid South Region and members of the National Pop Warner Organization for football & cheerleading. Our participants are area youth age 5 to 15.

The Forsyth County Broncos were formed in 2001 and have quickly established themselves as the premier youth athletic organization in the Triad. With nearly 400 boys and girls participating in various football and cheerleading programs, the organization draws families throughout the greater Winston-Salem area.

We make our home at Clemmons Elementary School.

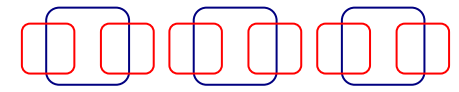

We have invested over \$400k to convert the playground to state of the art fields with stadium lighting. We are proud of our partnership with Clemmons Elementary.

During our regular season, our field will be home to 60-70 games. Attendance on any given Saturday will range between 1500-2000 spectators. We have estimated that the average participant in the program will spend at least 120 hours during a regular season either in practice or games.

The Forsyth County Broncos have earned numerous awards on a local and national level in both football and cheer competitions. The Little Scholars program also recognizes and rewards our boys and girls based on scholastics each year.
