

2009

Forsyth County Broncos

Forsyth Bronco Athletic
Association, Inc

501(c)3 non-profit organization

Capital Campaign

Improvement Goals

- **New** concessions facilities to improve income generation and provide seating in a relaxed environment for spectators and the community
- **New** onsite storage location for Bronco fan's Store
- **New** onsite storage for football and cheer equipment to eliminate ongoing rental of storage facilities
- **New** outdoor restrooms to be used by Bronco families, teachers & students during the school day, and visitors from the community.
- **New** bleachers which can be used by both the Broncos, and by the school for outdoor assemblies.

Clemmons, NC 27012

The Project.

Our construction project was initiated as a result of our continued growth since our inception in 2002. The End of Survey for the 2008 confirmed this as our #1 priority for the Bronco families and the surrounding community. Our new building will contain space for a fully functional concession stand, restrooms, permanent Bronco store, and plenty of storage for our equipment, mats, uniforms, etc. The building will be located on the Bronco end of the fields. We are on track for breaking ground at the beginning of June. If everything goes as planned, we hope to "open" in time for the beginning of the season. Check our website for interim project updates. The project will cost approximately \$200,000 when completed. Repayment of our loan is scheduled for 4 years, first payment due in March 2010.

Naming Opportunities.

Cost	Duration	#Available	
\$25,000	Lifetime	1	Entrance to the Athletic Park
\$15,000	Lifetime	1	Concession
\$10,000	Lifetime	1	Shelter Area
