

Forsyth County Broncos

What you need for Football Season!

Supplied by the Broncos:

- **Helmet**
- **Shoulder Pads**
- **Practice pants with “separate” pads to put in the pants**
- **Game Pants**
- **Game Jersey (you get to keep when season ends)**
- **Game belt**
- **Game socks**
- **Mouthpiece**

Things to purchase (not supplied by the Broncos):

- **Football Cleats**
- **1 Practice jersey (to go OVER shoulder pads)**

Extras (not required but very helpful):

- **Extra pair of practice pants – having 2 pair for the season means a lot less washing on your part!** (Nike/Under Armour have a good one with pads already in them that can come out for washing or can stay in just hang dry)
- **Extra “practice jersey” – just good to have 2 for the season!**
- **“GAME DAY” PAD Pants – a good brand is “Alleson Athletic” – the pads are SEWN in and cannot be removed and Bronco Game Pants slip on right on top of these pad pants – that means NO STUFFING all the individual pads into game pants every Saturday – once you do it one time you will wish you had these pants!**
- **Compression Shirt** – (fits tight and goes UNDER the shoulder pads)
- **New Chin Strap for helmet – 1 is issued with helmet but some prefer their own**
- **Mouthpiece – Broncos provide 1 for the season and will charge \$2 for each additional one**
